

According to Feng Shui can I put a locker on the balcony

Overview

It is a taboo in Feng Shui to have your front door facing the balcony, because it is adverse to family privacy, cannot accumulate fortune and goes against your family fortune. However, it is not just an extension of your home. It is also its entity with its energy. So how can you ensure that the energy flows well?

Before planning where to place your table and chairs, you must follow. The balcony shall not face the front door directly. You get the Vastu right and you'll witness not only an increased. Feng shui, the ancient Chinese art of placement, can help you create this reality by optimizing the placement and design of your locker to attract and enhance financial abundance. The placement of your locker plays a crucial role in attracting wealth. It originated in China thousands of years ago and is based on the belief that our external environment has a direct impact on our wellbeing.
