

Acquisition of solar inverter unit

 LFP 12V 100Ah

Overview

Italian solar inverter designer and manufacturer FIMER has officially been acquired by MA Solar Italy Limited, affiliated with the McLaren Applied Group. The acquisition allows FIMER to conclude its restructuring process and reach a renewed financial solidity with more than \$51. ABB announced today the completion of its acquisition of Gamesa Electric's power electronics business in Spain from Siemens Gamesa, originally announced on Decem. Financial terms were not disclosed. ABB recently announced the acquisitions of Lumin, an energy management.
