

Beiwaihuan Photovoltaic Support Factory

Overview

Yongxiang, a subsidiary of Tongwei, owns four production bases in Leshan and Guangyuan of Sichuan, Baotou of Inner Mongolia, and Baoshan of Yunnan, and has ranked first in the world in terms of market share and shipments since 2021 (data source: InfoLink statistics). On September 16, the World Economic Forum (WEF) announced its latest batch of “Lighthouse Factories,” with a total of 12 new factories worldwide making the list. Tongwei Solar Meishan Company is the only factory from the global photovoltaic (PV) industry to be selected in this round, marking the. Tongwei Co. As of June 2025, the company operates over 200 branches and subsidiaries both domestically and internationally, Tongwei boasts an annual. The world's first Lighthouse Factory in photovoltaic cell manufacturing—Tongwei Solar Meishan S4 Digital Intelligence Center TMTPOST -- Tongwei Solar Meishan Company has been recognized as the world's first “Lighthouse Factory” in the photovoltaic (PV) sector, the World Economic Forum (WEF). Tongwei Solar's Meishan Plant has earned the prestigious “Global Lighthouse” title from the World Economic Forum (WEF). 15-10 mm Carbon Steel Wire for Construction, 0.3mm Ral 7000 Cold Rolled Wall Cladding Corrosion Resistant Corrugated Sheet, EU Standard Az 50 1000mm Width 0.

Beiwaihuan Photovoltaic Support Factory

TW Solar Co., Ltd.

In 2022, TW Solar signed an "Investment Agreement" with Meishan Management Committee of Tianfu New District, Sichuan to build a 32GW high-efficiency crystalline silicon cell project. The project will ...

Tongwei Intelligent Manufacturing, Lighting Up the World The Birth of

This achievement not only represents the first "Lighthouse Factory" among enterprises native to Sichuan Province but also signifies that China's PV industry has once again taken the lead globally in ...

 **TAX FREE**    

ENERGY STORAGE SYSTEM

Product Model

HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions

1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity

215KWH/115KWH

Battery Cooling Method

Air Cooled/Liquid Cooled

About Tongwei

It is the first GW-level PV module factory in Southwest China. The project is expected to be constructed in two phases, and the first module product was successfully rolled off the production line on June ...

The First Cell Panel of the Phase IV Project of TW Solar (Meishan) Co

On March 26, the first cell panel of the Phase IV Project of TW Solar (Meishan) Co., Ltd. successfully rolled off the production line.

Tongwei Solar Plant Earns WEF Lighthouse Status for Manufacturing

The recognition highlights the plant's exceptional advancements in photovoltaic (PV) technology and manufacturing, positioning it among the world's leading facilities driving the Fourth ...

Tongwei Welcomes the World's First "Lighthouse Factory" in Global PV

The "Lighthouse Factory" recognition, jointly awarded by the World Economic Forum and McKinsey & Company, aims to honor exemplary advanced manufacturing sites that demonstrate ...

Photovoltaic Support Factory Manufacturers & Suppliers

Solar Bracket, Zinc Aluminum Magnesium Coil manufacturer / supplier in China, offering Photovoltaic Carport with Waterproof Groove for Power Generation, Solar Carport for Electric Car, Solar ...

Tongwei Solar Meishan Named World's First Photovoltaic "Lighthouse"

The Lighthouse Factory designation, jointly awarded by the WEF and consulting firm McKinsey, identifies advanced manufacturing models that excel in productivity, supply chain resilience, ...

Tongwei Solar Meishan Named World's First Photovoltaic

Tongwei Solar Meishan Company is the only factory from the global photovoltaic (PV) industry to be selected in this round, marking the birth of the world's first "Lighthouse Factory" in the ...
