

Gambia solar inverter manufacturer

Overview

Enphase is making the most advanced Mobile inverters. As a distributor of photovoltaic inverters and solar modules, we guarantee our customers high-quality components, professional advice and support as well as favourable prices and short delivery times. Would you like to become our retail or installation Partner?

Would you like to become our retail. Wagner Solar Gambia is a beacon of sustainability in the region, distinguishing itself as one of only three enterprises capable of harnessing solar power to bring clean energy solutions to The Gambia. These include solar components (solar panels, inverters, batteries), off-grid and grid-tie solar systems for commercial, industrial and residential applications, battery energy storage systems, energy efficient LED. As a Gambia solar inverter manufacturer, we prioritize: A poultry farm in Brikama reduced energy costs by 62% after installing our 15kW three-phase inverter system. The secret sauce?

Our adaptive cooling technology that prevents overheating during peak feather-plucking machine operation. Information is checked, categorised and connected.
