

# Georgia s largest inverter manufacturer

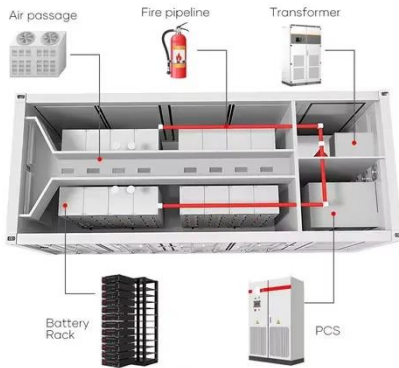

## Overview

---

Century Electronics, founded in 1973 and based in Decatur, Georgia, is a private manufacturer that specializes in power supplies, converters, and inverters tailored for military and aerospace applications. Suniva is an American leader in high-quality, low-cost PV manufacturing. They are known for insuring some of the highest quality, highest powered solar cells on the market and offer a 25-year linear power warranty. With the largest solar cell manufacturing facility in North America, Suniva has. [ATLANTA, Oct. 18, 2023] - Qcells, an industry-leading clean energy solutions provider, today announced the successful completion of its Dalton, Georgia, factory expansion. The expectation is that by 2024, they will be producing 8.4GW each year in multiple plants. The ACU-GATE Flushing Gate System is a sediment flushing device designed to remove settled debris from storm water detention tanks, combined sewer overflow (CSO) retention tanks, sanitary sewer overflow (SSO) equalization tanks and reservoir floors. Grande Water Management Systems Inc.
