

How to find a base station outdoors

Overview

Use the Military Times Installation Guide to find base locations, along with contact information, programs and services offered by that location. Browse by country, state, and branch. MilitaryINSTALLATIONS does not list every installation. If you need assistance with your move, contact. These search tools can help you find them. It includes most bases for all military branches under the Department of Defense. Because of security concerns, the federal government won't release an exact number, but there may be as many as 4500 bases within the United States.
