

Huijue inverter genuine manufacturer

Overview

Founded in 2002, Huijue Group is a well-known manufacturer of energy storage equipment and energy storage systems, providing customers with Inverter products and a full range of safe and efficient energy storage products, covering household energy storage systems, industrial and. Founded in 2002, Huijue Group is a well-known manufacturer of energy storage equipment and energy storage systems, providing customers with Inverter products and a full range of safe and efficient energy storage products, covering household energy storage systems, industrial and. Huijue Group was founded in 2002, is leading Inverter Manufacturer in China, to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products, covering household energy storage system, industrial and commercial energy storage system and. Since its establishment in 2002, Shanghai Huijue Technologies Group Co., Ltd (Huijue Group) has been committed to becoming a leading company in the communication and energy industries. As a subsidiary of Highjoule Group, it provides customers with optimal energy storage system solutions and a full range of safe and efficient storage products, covering household energy. The All-in-One Energy Storage System by Huijue Group seamlessly integrates a solar inverter and a lithium battery, delivering an efficient and reliable new energy solution. The hybrid solar inverter converts solar energy into electricity for direct home use, with any excess power fed back into the. Premier producer of solar energy storage solutions & Site-specific Products, excelling in quality & efficiency. Our comprehensive range includes custom-designed systems that integrate. What are you looking for?

Huijue inverter genuine manufacturer

Leading Inverter Equipment Manufacturer

Are you a manufacturer or a trading company? We are a manufacturer with our own factory, all products are factory direct sales.

Leading Energy Storage Equipment Manufacturer

Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications.

Power Solar Inverter Manufacturer

Professional manufacturer of solar and power inverters, offering grid-tie inverters, hybrid inverters, off-grid inverters, solar batteries, solar kits, and complete solar energy storage system solutions.

Leading Inverter Provider and Manufacturer

Huijue Group has a senior technical team and an efficient supply chain system, and its production capacity and contract performance capabilities are fully guaranteed.

Company Overview

Shanghai Huijue Technologies Group Co., Ltd. Products: Home energy storage system, Solar Energy System, Energy Storage Battery, Site energy solution, Energy storage container

Huijue Solar

As a top inverter and battery manufacturer in China, Huijue has a strong R& D team and technological innovation capabilities to provide high-quality products and services, and insists on being customer-centric.

About Us , Huijue Group

Huijue Group, founded in 2002, is a leading technology innovation company in the field of energy storage systems.

Energy Storage Equipment, Energy storage solutions, Lithium battery

Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid / On-grid Microgrid, telecom site solutions, and home solar energy storage, ensuring reliability, efficiency, and ...

 **Efficient
Higher Revenue**

- Max. Efficiency 97.5%
- Max. PV Input Voltage 600V
- 150% Peak Output Power
- 2 MPP Trackers, 100% DC Input Overvoltage
- Max. PV Input Current 15A, Compatible with High Power Modules

 **Intelligent
Simple O&M**

- IP66 Protection Degree: support outdoor installation
- Smart I-V Curve Diagnosis Function: locate PV string faults accurately and automatically detect faults
- DC & AC Type II SPD: prevent lightning damage
- Battery Reverse Connection Protection

 **Flexible
Abundant Configuration**

- Plug & Play, EPS Switching Under 10ms
- Compatible with Lead-acid and Lithium Batteries
- Max. 6 Units Inverters Parallel
- AFCI Function (Optional): when an arc fault is detected the inverter immediately stops operation

Energy storage solutions & Site-specific Products, Products

Answer: Huijue Group provides comprehensive maintenance and support services for our solar energy storage systems, including remote monitoring, predictive maintenance, and on-site troubleshooting.

new energy battery

The All-in-One Energy Storage System by Huijue Group seamlessly integrates a solar inverter and a lithium battery, delivering an efficient and reliable new energy solution.
