

Indonesia Small Solar Water Pump Inverter Manufacturer

Higer conversion efficiency

CAN/RS485/WIFI/4G
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of solar water pump inverters on wheels, labeled with their capacities: 20 Kwh, 30 Kwh, and 50 Kwh. The units are white with black accents and are set against a background of a house and a clear sky. The text highlights features such as higher conversion efficiency, communication capabilities (CAN, RS485, WIFI, 4G, and Bluetooth), and BMS customization support. The units are described as having a thick shell for protection of the internal cells.

Overview

is a trusted manufacturer and supplier of solar water pumps in Indonesia, offering high-performance solutions for agriculture, irrigation, drinking water, and industrial applications.
