

# JA Solar s best photovoltaic panels

## Overview

---

This review of JA solar panels looks past promotional claims and discusses, for those who install them, the businesses and homeowners, the most important bits. JA is a leading manufacturer of high-efficiency photovoltaic solar panels, based in Shanghai, China with several global offices, including one in San Jose, California. They produce high-performance solar panels for residential, commercial, and utility-scale projects. However, there are so many Chinese brands – 8 out of Top 10 solar companies are Chinese! How do you choose between them?

We got your back, let's go over them together one by one. Even in 2025, JA brand is in the thick of the discussion regarding global solar adoption. With a strong presence in both residential and commercial markets, JA Solar has developed a reputation for delivering. There are many positive JA solar panels reviews where customers have given 5-star ratings. It promises to provide maximum output and efficiency up to 22%.
