

Middle East Intelligent Uninterruptible Power Supply Manufacturer

Overview

Our power systems are built to provide uninterrupted performance across industries, ensuring your operations stay powered no matter the conditions. From smart grids to hybrid solar solutions, our energy technologies are designed to fuel growth, innovation, and long-term efficiency. Enetek Power Middle East delivers cutting-edge energy solutions designed to meet the region's toughest challenges, from extreme climates to high-energy demands. UPS systems protect homes, offices, hospitals, data centers, and industrial facilities from voltage drops, surges, frequency fluctuations, and unexpected. To meet the client's requirements in the field of Power Supply Distribution MICAS has created Power Division by joining hands with G-TEC a leading European brand. G-TEC is one of the leading company in Europe in development of UPS (Uninterruptible Power Supply). Founded in 1978, Phoenixtec has more than 40-year experience in ODM/OEM business and serves customers in 130+.
