

Namibia solar-powered communication cabinet inverter maintenance company

Overview

We are available 24/7 for solar energy installations and repairs across Namibia. We respond to queries within 15 minutes or less. Our service include a warranty of 1 full year (T's & C's apply). We deliver comprehensive, high-performance energy solutions tailored for marine, industrial, and remote applications. From inverters and chargers to solar systems and backup power, our systems are engineered for reliability, efficiency, and resilience in the harshest environments. Namibia and Southern Africa. If ground mounted or installed on roofs, grid-connected or off-grid - we find the best solution for our customers.
