

Outdoor telecom cabinets for chemical plants offer dc power discounts

Overview

AstorLogix manufactures modular, solar-powered telecom cabinets for autonomous operation in locations where power is unavailable. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies. Outside Plant (OSP) Cabinets are durable, weatherproof enclosures designed to protect telecommunications, networking, and utility equipment in outdoor environments. Durability: Constructed to provide superior protection in all environments, ABS cabinet solutions offer maximum flexibility for customizable turn-key options that future proof growing networks. The ORC houses DC power, batteries and equipment. The e is a. Westell is a collaborative partner in OSP deployment optimization providing customized, fully integrated, vendor neutral outdoor network equipment enclosures. With proven expertise in system integration, Westell also manages the details for design assistance, planning, thermal management. Purcell Systems' solutions specifically address operators and service providers' needs for durable equipment enclosures, modular cabinets, advanced surge protection technology, optimal battery backup enclosures, superior power management, and complete climate control cabinets, for equipment.
