

Photovoltaic panels installed on roofs are free

Overview

Except for very rare cases, it's unlikely that you'll be able to install solar panels at no cost whatsoever or that the government is “giving them away. ”. When something is advertised as “free,” it usually comes with a few strings attached—free solar panels are no exception. Companies that offer “free” solar panels are typically offering solar lease agreements, so you can reap the benefits of solar-powered electricity without dealing with the upkeep. The Department of Energy is aware of claims of offers for free solar panels or that solar companies must provide solar panels for free if requested.
