

Sierra Leone flexible solar panels

Overview

In Sierra Leone, Afrimoney and Easy Solar are changing this thanks to a digitised payment system that makes it easier to buy solar panels and benefit from solar power. Easy Solar enhances the lives of people across West Africa by providing access to solar energy solutions and other transformative durable goods. We make these affordable through a range of flexible financing options, empowered by pay-as-you-go technology, and accessible through an extensive network. Your trusted partner for world-class solar and storage solutions that drive sustainability, cut costs and boost efficiency, enabling your organisation to thrive. We provide sustainable energy systems for various businesses which can range from domestic and small businesses to industrial and commercial organisations in both urban and rural settings. In Africa, where mains electricity is.
