

# Solar Photovoltaic Power Generation Agreement

## Overview

---

[A Power Purchase Agreement (PPA) constitute a legal contract between a power producer and power purchaser, commonly referred to as the “seller” and “off-taker”, respectively. For Solar Projects, PPA delineates the terms under which the energy generated by the solar project will be. When a solar project is owned by an independent power producer rather than a utility serving its own load, the agreement that provides for an assured source of revenue from the energy output and related environmental attributes of the project is central to the project's viability.
