South Sudan solar panel power supply system

Aptech Africa is delighted to announce the successful installation of 26 MW of solar panels in Juba, South Sudan. This project was entirely self-funded by Ezra Construction Company.

LiFePO₄ Battery, safety

Wide temperature: -20~55°C

Modular design, easy to expand

The heating function is optional

Intelligent BMS

Cycle Life: > 6000

Warranty: 10 years

Powering Juba with Aptech Africa's solar energy solutions in Sudan.

By designing, supplying, installing, and commissioning a state-of-the-art 229.9kWp solar rooftop grid-tied system, Aptech Africa has demonstrated its commitment to transforming the energy ...

Aptech Africa successfully installs a solar power plant in Juba, South

Aptech Africa is delighted to announce the successful installation of 26 MW of solar panels in Juba, South Sudan. This project was entirely self-funded by Ezra Construction Company.

Aptech Africa Solar PV System

and Solar Water Pump Installation in Juba

In an inspiring move towards sustainable development and community empowerment, Aptech Africa- Juba has successfully designed, supplied and installed a solar PV system and a solar ...

Transforming Energy In Juba, South Sudan: Aptech Africa's

...

Recently, they successfully designed, supplied, installed, and commissioned a cutting-edge 229.9kWp solar rooftop grid-tied system in the heart of Juba.

SMART GRID & HOME

Solar Power Resilience: Juba Offices In South Sudan

A recent commissioning has activated a 50.144 kWp solar installation, accompanied by a 218 kWh battery energy storage system, at offices in Juba, South Sudan. This roof-mounted system ...

Depo Energy & Contractors Ltd.

Juba-based Depo Energy: Leading solar provider powering Africa's future. 15MW+ capacity, quality systems for homes, businesses, institutions across East Africa.
