

# Tongwei photovoltaic panel query years

## Overview

---

While the industry norm hovers around 25 years, Tongwei panels promise a lifespan of 30 years. This 20% increase in lifespan not only ensures more years of clean energy production but also translates to cost savings in the long run. After more than ten years of rapid development, has become a integrated PV ente prise with high-purity polysilicon roWatt solar inverter - Super Special! High e ficiency Panels with 25-y ar warranty. ( ces can raise power output by 5 to 7%. In China, an. TongWei Solar (aka TW Solar) is a photovoltaic company established by Liu Hanyuan's Tongwei Group in 1982. TW Solar has 8 manufacturing sites located across China. One of Tongwei's standout features is the impressive life expectancy of their solar panels.
