

Ukraine s largest energy storage power station

Voltage range:691.2-947.2V

>6000 cycles(100%DOD)

Rated battery capacity:
216KWH (customizable)

EMS communication:
4G/CAN/RS485

Overview

The largest private energy company in Ukraine DTEK has commissioned 200 MW of energy storage facilities built in partnership with US-based Fluence, a global leader in energy storage technology. DTEK partnered with American energy firm Fluence Energy Inc. —. The European Bank for Reconstruction and Development (EBRD) is supporting Ukraine 's energy security by lending €22. This was reported by DTEK's press service.

Ukraine s largest energy storage power station

Ukraine's biggest battery storage project goes online

Ukrainian private utility DTEK has energised the largest battery storage project in the war-torn country and one of the biggest ones in Eastern Europe. The 200 MW/400 MWh installation ...

Ukraine Launches Largest 200 MW Energy Storage System to Boost ...

The largest private energy company in Ukraine DTEK has commissioned 200 MW of energy storage facilities built in partnership with US-based Fluence, a global leader in energy storage ...

Ukraine's DTEK buys 200MW energy storage systems in bid to limit
